

Lavender Margarita

3/4 to 1 cup Tequila

1/3 to 1/2 cup blue Curacao or other orange flavored liqueur

3/4 to 1 cup canned coconut milk

1/4 to 1/3 cup lime juice

1 1/2 to 2 cups frozen unsweetened raspberries

1 1/2 to 2 cups frozen unsweetened blueberries

1 teaspoon lavender

In a blender, combine the tequila, Curacao, coconut milk and lime juice. Cover and turn to high speed, gradually add raspberries, blueberries and ice. Whirl until smooth and slushy. Pour into glasses. You can rub glass rims with lime and dip the rim in lavender sugar or salt. Add a lavender sprig for garnish.
